MALE COLLEGE SEMINARY.
BY J. A. BRAGG, A. M., PRINCIPAL,
With Complete Apparatus.
THIS INSTITUTION, located at Stricklandville, im-
mediately on the Wilmington and Weldon Railroad, has
been established for the purpose of educating the youth of
the State, and our own county in particular. We have
secured neither pains nor expense in erecting a suitable build-
ing for school purposes, having regard, both to the conveni-
ence and health of the scholars, and to the moral and physical
conduct of their mental and physical improvement. In
fine, we feel assured, that but few schools in our State, high-
ly favored as this is, can offer superior inducements to those
of the classical and mathematical Seminary of this place.
We hope, and do expect, largely to share the public pa-
tronage of this Seminary.

EDGEWORTH FEMALE SEMINARY.
GREENSBORO, N. C.
THE NEXT SESSION of this Institution, which has now
been opened for the third year, will com-
mence on WEDNESDAY, 1st August.
The course of study is designed to be thorough and sys-
tematic, embracing everything necessary to a solid and orna-
mental education. It is very important that pupils be present at the opening
of the session. A few days absence at the commencement of
the year when the classes are formed, and new students in-
tended upon, may embarrass the pupils for weeks.
Catalogues containing the course of study, expenses, &c.,
will be forwarded on application.

be able to reduce the prices nearly one half; every one aid-
ing, is also aiding in placing the means of a superior education
within the reach of almost every girl in the State.
